## 3's & D's (2025)

### **Three's and D's:**

- 1) Establish X, the amount of the wager (\$1, \$2 etc...).
- 2) Coin toss to see who chooses first.
- 3) Participant winning the coin toss can defer or choose their team for the first half.
- 4) Deferring/Losing participant has the option of switching teams at halftime.

**You receive the following payout from your opponent when your team executes the following:**

- 1X**
  - Any three point play (3 point shot or made basket and subsequent made foul shot)
  - Any dunk (a made shot where the player pushes the ball through the rim with a downward motion)
    - Ball must go through the rim on the initial dunk attempt.
    - If ball bounces up in the air on the dunk attempt, and then goes through the rim, it's a MISSED dunk
  - Any four point play (a made 3 point shot and subsequent made foul shot)
  
- 2X**
  - Any shot made beyond half court

**You owe the following payout to your opponent when your team executes the following:**

- 1X**
  - Air ball (a shot that doesn't hit the rim) on a three point shot attempt beyond halfcourt, or on a free-throw
  
- 2X**
  - Air ball (a shot that doesn't hit the rim) on a three point shot attempt in the frontcourt
  - Any missed dunk (a missed, unblocked, unfouled dunk attempt)
    - An attempt must include a downward motion
    - Possession of the ball is not necessary as the player attempts the dunk

5) Underdog Bonus. Underdog pays according to the Bonus table.

Line	Odds
Below 13	1:1
Above 13	1:1 +1

**Note: 1:1 +1 means you get an extra \$1 on every occurrence by the Underdog**

**Payment is due immediately on each occurrence.**

**Example:** A three point play involving a dunk pays on the 1X line for a three point play, and the 1X line for a dunk.

**Example:** A half court shot pays on the 1X line for a three point play, and 2X line for a shot made beyond half court.

### **Optional: STREAK**

6) Each time an occurrence from the list is completed it starts a streak.

If that same team completes another occurrence before the other team breaks the streak, a streak bonus is created. The streak bonus starts at \$1 and increases \$1 each time the streak increases. The streak bonus is paid "In Addition" to the money owed for the most recent occurrence. It's not a multiplier.

### **Optional: Mercy Rule**

7) If playing with Streak, a player can end the streak by paying the exact amount of the most recent occurrence.

For example: A team just completed a 5th consecutive occurrence. On a normal 3 or dunk, the payment would be \$5 (\$1 for the occurrence and \$4 for a streak of four prior to that). The streak can be ended with an additional \$5 payment before any other occurrence happens.

**Disputed Play: Any disputes will be settled by the live game summary on CBS Sports.**

## 1st to 10 / 1st to 16

### **1st to 10 / 1st to 16:**

- 1) Establish X, the amount of the wager (\$1, \$2 etc...).
- 2) Coin toss to see who chooses first.
- 3) 1st team to 10 wins 1x the bet. 1st team to 16 wins 2x the bet
- 4) Favorite pays 1 to 1. Underdog pays according to the payout schedule.

### **1st to 10 / 1st to 16 Payouts**

Line	Odds
Less than 10	1:1
10.0 - 17.0	2:1
17.5 & Above	3:1

## Digits (2025)

- 1) 10 spots available for each contest (0 - 9)
- 2) Draw cards at the white board to determine your digit.
- 3) Winning score is the last digit of the total number of points scored by both teams.
- 4) Cost per digit - \$10.
- 5) A person can buy an extra digit if nobody else claims an open spot.

**Two winners will be paid at the end of the half and the end of the game:**

- |                          |   |
|--------------------------|---|
| <b>Halftime Winners</b>  | \$20 - The person that matches the last digit of the total points scored in the first half.<br>\$10 - The person that matches the last digit (Plus 5 points) of the total points scored in the first half   |
| <b>Full Game Winners</b> | \$50 - The person that matches the last digit of the total points scored in the entire game.<br>\$20 - The person that matches the last digit (Plus 5 points) of the total points scored in the entire game |
